Corps of Discovery

The Commons

Wearable Play  
(installation 8/3)

SlinkyBall

# Art in the Loop Scavenger Hunt BINGO

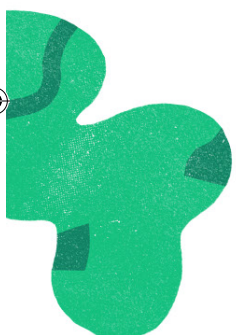

Can you find these public artworks around Downtown Kansas City this summer?

The Box Gallery, located at 1000 Walnut, is a great place to start! Use this card to guide you on your scavenger hunt around the city. For a schedule of performances and more information about permanent installations, visit [artintheloop.com](http://artintheloop.com).

Once you find an artwork, snap a selfie with it and post to either Instagram or Facebook using [@artintheloop](https://www.instagram.com/artintheloop) and [#KCArtHunt](https://www.facebook.com/artintheloop). Once you have BINGO (five destinations across the board), post a picture of your completed game with [#KCArtHunt](https://www.facebook.com/artintheloop). Those who submit completed BINGO boards will be entered into drawings for super rad prizes throughout the summer!

The fine print: Only one BINGO submission will be accepted from each social media account. All submissions will be entered into a drawing, which will be chosen by an Art in the Loop employee. Winners will be notified through their social media account.

Stay up to date with the on-going events this summer, and check out the instructional BINGO video our interns made at [artintheloop.com](http://artintheloop.com) or [kcstreetcar.org](http://kcstreetcar.org).
