

## 2020 Art in the Loop Project June - September

The Art in the Loop Project is an outdoor exhibition of temporary art along the KC Streetcar route and at the City Market. Artists from the Kansas City region are selected annually through an open and competitive process.

Look inside for a map. For more information and to find out about art walks, special events and performances that may be scheduled, follow us on social media or visit our websites.

The Art in the Loop Foundation is pleased to partner with the Kansas City Art Institute's Sponsored Studio program to create the promotional materials for our 2020 summer installations. Special thanks to Associate Professor David Terrill and students from the MICRO Agency Illustration class: Noel Knaus (cover art) and Anh Lee (logo)

Art in the Loop appreciates the financial support of:
